INVESTMENT OVERVIEW

ENTERPRISES
- Tertiary Institution of Training

USE OF LOAN
- Construction of Nursing and Midwifery school
- Construction of a school hostel
- General expansion and purchase of school equipment

INVESTMENT HIGHLIGHTS
- The investment will advance tertiary education in rural healthcare, addressing community health and increasing preparedness for pandemic and endemic diseases
- The demand for the school is expected to be high due to lack of private education college in the region and the Diocese’s strong reputation of running quality schools in the region. They currently run 21 schools
- The Diocese operates clinics affiliated with the school, which will help in the practical training of the students and will also offer employment to some students

IMPACT

PROJECT LEADER
- Fr. Peter Manzo
- Project Leader with students after class
- 3rd Year students with their completion certificates

SHARED PROSPERITY
- Employment of 26 full-time staff and 9 casual laborers, which is expected to increase to 45 full-time staff and 11 casual laborers post-investment
- The college currently trains 189 students in healthcare disciplines. Enrollment is expected to increase to at least 550 students post investment

RESILIENCE / LAUDATO SI’
- The Diocese plans to install a 30kva solar system post-investment as an alternative source of power
- The Diocese plans to plant 100 trees annually post investment

FOOD SECURITY
- The Diocese provides food to 500 people annually, focusing on widows and other poor and vulnerable populations

STRENGTHENED SOCIAL ENTITIES
- The Diocese supports 21 Schools and clinics affiliated with the College

MISSIO INVEST ADVISORY & SUPPORT
- Missio Invest’s Country Investment Manager will work with the borrower to improve their financial record keeping and impact reporting
